

E-CLEAN(LA)

Plant derived
laundry
detergent

Using plant-based materials as corn, soybean, safflower, sugar cane, apple, others.

characteristics

1. Clean wash-up without bleach
2. Suppresses breeding of soap, detergent residue and black mold in washing machine
3. Prevents problems such as clogging, odor etc. of drainage (drain pipe, grease trap, septic tank, etc.)

benefits

- (1) It is gentle to the skin
(even when the laundry detergent remains in the fabrics, it is safe)
- (2) To activate microorganisms in oil / water separation tank
(water quality improvement)
